

Byerley Basic Pricing 888/852-8278 816-525-5200

Digitization: Your artwork needs to become digital for output as Giclee. This can be by scanning a transparency or through photography. We have the capability to do this in-house up to an output size of 24x30. The charge for this service is \$25.00. Additional charges could apply. Digital files can be provided. Call for further details since this is a critical step for accurate reproductions.

Color Correction: All first run images need this service to ensure overall color accuracy and a clean output. The charge for this service is \$25.00.

Proofing: Full size proofs are recommended for accuracy. We will only charge you for the proof if it is approved and you keep it as one of your order.

Computer Services: If you need specific color correction such as a hat or face there is an additional hourly rate to isolate and correct the area based on \$60/hour. This service is also needed to do photo restoration and image alterations.

Shipping: We charge what FedEx charges. Orders of 10 or more* receive free shipping. Originals are always shipped next day air with insurance to ensure safe shipping.

Call if you have questions about the process or something not covered in this letter.

Image Size (in inches)	Single Paper	10 or More Paper Each*	Single Canvas	10 or More Canvas Each*
